## LeMaitre Vascular, Inc. Prices Initial Public Offering of Common Stock

BURLINGTON, Mass., Oct. 19 -- LeMaitre Vascular, Inc. (Nasdaq: LMAT) announced today the pricing of its initial public offering of 5,500,000 shares of its common stock at a price to the public of \$7.00 per share. All of the shares to be sold in the offering are to be sold by LeMaitre, and the net proceeds of this offering are intended to repay a portion of the LeMaitre's outstanding indebtedness, to finance working capital needs, including the hiring of additional sales personnel, the funding of clinical studies and the expansion of manufacturing and research and development capabilities, and for general corporate purposes. LeMaitre has granted the underwriters an option to purchase an additional 825,000 shares of common stock at the initial public offering price to cover over-allotments, if any. The shares will trade on the Nasdaq Global Market under the symbol "LMAT."

The offering is being made through an underwriting syndicate led by Goldman, Sachs & Co. as sole book runner for the offering. CIBC World Markets, Cowen and Company and Thomas Weisel Partners LLC are acting as co-managers.

Copies of the final prospectus relating to the offering may be obtained from Goldman, Sachs & Co., Prospectus Department, 85 Broad Street, New York, New York 10004, which can be reached by fax at 212-902-9316 or by email at [prospectus-ny@ny.email.gs.com](mailto:prospectus-ny@ny.email.gs.com).

A registration statement relating to these securities was declared effective by the Securities and Exchange Commission on October 18, 2006. This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor will there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
